LEFT OVERS? NO PROBLEM! NO BAKE EASTER EGG SLICE! crushed (250g/9oz), 1 cup crushed cornflakes or similar.

BASE. 200g (7oz) dark chocolate, 200g (7oz) condensed milk, 150g (5oz) butter, 1 packet milk, biscuits, finely

TOPPING: 250g (9oz) white chocolate, 1 tsp vegetable oil 100g (3.5oz) 90 g of chocolate leftovers like cream eggs and smarties 2 Tbsp sprinkles

INSTRUCTIONS Line a 19 X 29cm slice tin with baking paper and set aside. Add chocolate, condensed milk and butter to a microwave-safe bowl. Heat in 30 second bursts until all the ingredients have melted together and stir well. Add to the crushed biscuits and rice bubbles then mix until all combined. Press the mixture into the tray, spread to the edges and smooth the top with the back of a metal spoon. Melt the white chocolate in the microwave, add oil and stir until it is smooth. Pour the white chocolate over the base and spread it evenly to the edges.

Cut the choc leftovers and arrange on top of the base, add mini eggs and smarties. Finally shake over the sprinkles. Chill in the fridge until set 4+ hours. Take out of the fridge 20 minutes before cutting into slices (this makes it easier to cut).

Keep in an airtight container in the fridge for up to a week.

CHOCLATE DRINK 🗧 from left over Easter eggs

Ingredients: 200g chopped Easter eggs, 600ml water, 2 cinnamon sticks, 8 cloves and grated rind of orange. Method: place everything in a pot and simmer on low heat until the chocolate melts. Serve warm. One may add more chocolate depending on how thick you want the drink to be.

Can you help the chick bring the flower to the easter bunny?
