

SUPPORTING NEW BEGINNINGS

Hi aħna **Keyne u Elise**, għandna 17-il sena u nistudjaw il-kura soċjali bil-għan li nsiru social workers. Fil-bidu tas-sena **ddeċidejna li nagħmlu volontarjat mad-Djagonija fil-parroċċa** tagħna ta' M'scala, biex ngħinu nies fil-bżonn. Aħna **nafu li ħafna ta' mparna huma wkoll ħerqana** li jgħinu, iżda ninnutaw li ħafna drabi ma jafux minn fejn jistgħu jibdew. Konxji li **nistgħu nagħmlu ħafna aktar** u b'hekk permezz tal-koordinazzjoni tad-djagonija tal-parrocci (loop.mt) **ħriġna bl-inizzjattiva ta 'Supporting New Beginnings'**. Biex jiżdied l-għarfien u nistiednu aktar nies biex jappoġġjaw lil **ħaddieħor**.

Għadna **żgħar**, iżda nemmnu li **fis-servizz nistgħu anke niskopru u nkabbru kwalitajiet u nikkonfermaw is-sejha għal professjoni ta servizz**.

Dan is-sajf nixtiequq tingħaqad magħna biex nħarsu lejn il-hidma tad-djagonija li twettaq il-Knisja ma' persuni li jkunu għaddejjin minn żmien diffiċli, nagħrfu l-oqsma ta' bżonnijiet li naraw madwarna, u flimkien noħorġu b'ideat ta' inizzjattivi u ħidmiet li jkomplu jsaħħu il-hidma favur il-komunitajiet. Flimkien ikollna ċ-ċans nesperjenzaw il-ħidma tad-djagonija u nkunu aħna wkoll xhieda ta żgħożija konxja, motivata u interessata tgħin lil dak fil-bżonn

Hi we are **Keyne and Elise**, both 17 years old and studying social care with the aim of becoming social workers. At the beginning of the year we decided to volunteer with Djagonija in our parish of M'scala, assisting people in need. We know that many of our peers are keen to help, but also noticed they often dont know where to start from. We know that we can do so much more and thus through the coordination of parish djagonija (loop.mt) we came up with 'Supporting New Beginnings'.

To increase awareness and invite more people in supporting others. We are still young and figuring out our lives but that doesn't mean we cant help others figure out theirs. This summer we would like you to join us at having a look at the work of diaconia, that many in the church carry out amongst people who find themselves in difficult situations. Together we will grow in awareness of the areas of need that we see around us, and also come up with ideas for initiatives and tasks that could continue to strengthen the development of our communities.

Together we will have the chance to experience the work of the diaconia while being witnesses of a generation of young people who are aware, motivated and interested in helping those in need!

DJAGONIJA HIJA L-HIDMA TAL-KOMUNITA' NISRANIJA FOST MIN IKUN F'SITWAZZJONI TA' VULNERABBILITA

Diaconia refers to the services that the catholic community provides to people who find themselves in situations of vulnerability

DIN HIJA OPPORTUNITA BIEX FLIMKIEN NAGħMLU DIFFERENZA!

This is your opportunity to make a difference together!

INGħAQAD MAGħNA DAN IS-SAJF!
Join us this summer!
